

Project And Assignment
Submission Date: 28th November to 2nd December 2023

Assignment

Q1 What are Constants and variables, Types of Constants, Keywords, Rules for identifiers, int, float, char, double, long, void.

Q2. Explain with examples Arithmetic Operators, Increment and Decrement Operators, Relational Operators, Logical Operators, Bitwise Operators, Conditional Operators, Type Conversions, and expressions, Precedence, and associativity of operators.

Q3. Explain with Example conditional statements if, if-else, elseif, nested if else.

Q4. Explain Switch Case statement with example.

Q5. Explain Loops, for loop, while loop, do while loop with examples.

Q6. Explain with examples debugging importance, tools common errors: syntax, logic, and runtime errors, debugging, and Testing C Programs.

Q7. What is the user defined and pre-defined functions. Explain with example call by value and call by reference.

Q8. 1) Explain with Passing and returning arguments to and from Function. 2) Explain Storage classes, automatic, static, register, external. 3) Write a program for two strings S1 and S2. Develop a C Program for the following operations. a) Display a concatenated output of S1 and S2 b) Count the number of characters and empty spaces in S1 and S2.

Q9. Explain with example 1D array and multidimensional array. Consider two matrices of the size m and n. Implement matrix multiplication operation and display results using functions. Write three functions 1) Read matrix elements 2) Matrix Multiplication 3) Print matrix elements.

Q10. Explain with example with Structure, Declaration, and Initialization, Structure Variables, Array of Structures, and Use of typedef, Passing Structures to Functions. Define union declaration, and Initialization Passing structures to functions. Explain difference between Structure and Union. Write a program on details of a bank account with the fields account number, account holder's name, and balance. Write a program to read 10 people's details and display the record with the highest bank balance.
